

judgment notes, VA shall provide debtors with a written explanation of the consequences of signing the note, and shall maintain sufficient documentation to demonstrate that the debtor signed the note knowingly and voluntarily. Security for deferred payments, other than a confess-judgment note, may be accepted in appropriate cases. VA may accept installment payments even if the debtor refuses to execute a confess-judgment note or to give other security.

(d) If the debtor owes more than one debt and designates how a voluntary installment payment is to be applied as among these debts, that designation must be followed by VA. If the debtor does not designate the application of the payment, VA shall apply payments to the various debts in accordance with the best interests of the Government as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

#### **§ 1.918 Exploration of compromise.**

VA will attempt to effect compromises, preferably during the course of personal interviews, in accordance with the standards set forth in §§ 1.930 through 1.938 in all cases in which it is ascertained that the debtor is financially unable to pay the full amount or in which the litigative risks or the costs of litigation dictate such action.

#### **§ 1.919 Interest.**

(a) Except as otherwise provided by statute, contract, or other regulation to the contrary, VA shall assess:

(1) Interest on all indebtedness to the United States arising as a result of participation in VA benefit programs which are being paid in installments,

(2) Interest and administrative costs of collection on debts where repayment has become delinquent, and

(3) Interest, penalties, and administrative costs on all nonbenefit debts in accordance with 4 CFR 102.13.

(b) Every party entering into an agreement with the Department of Veterans Affairs for repayment of in-

debtedness in installments shall be advised of the interest charges to be added to the debt. All debtors being provided notice of indebtedness, including those entering into repayment agreements, shall be advised that upon the debt becoming delinquent, or in the case of repayment of already delinquent debts, interest and the administrative costs of collection will be added to the principal amount of the debt.

(c) The rate of interest charged by VA shall be based on the rate paid by the United States for its borrowing as published in the Treasury's Cash Management Regulations (ITFM 6-8000). The rate of interest shall be adjusted annually on the first day of the calendar year to reflect the average rate being charged in accordance with the Treasury's Cash Management Regulations. Once the rate of interest has been determined for a particular debt, the rate shall remain unchanged throughout the duration of repayment of that debt.

(d) Interest on amounts covered by § 1.919 shall accrue from the date the initial notice of the debt is mailed to the debtor. Notification shall be considered sufficient when effected by ordinary mail, addressed to the last known address, and such notice is not returned as undeliverable by postal authorities.

(e) Interest under this section shall not be charged if the debt is paid in full within 30 days of mailing of the initial notice described in paragraph (b) of this section. Once interest begins to accrue, and after expiration of the time period for payment of the debt in full to avoid assessment of interest and administrative costs, any amount received toward the payment of such debt shall be first applied to payment of outstanding administrative cost charges and then to accrued interest or costs, and then to principal, unless a different rule is prescribed by statute, contract, or other regulation.

(f) All or any part of the interest and administrative costs assessed under this section are subject to consideration for waiver under section 5302 of title 38 U.S.C., and appropriate administrative procedures.

(1) In general, interest and administrative costs may be waived only when
